Stella Marris Academy of Malolos

2017 - 2019
Visual Graphic Design
AMA School Malolos

2019 - 2023
BS in Information and Communications Technology
Bulacan State University

Objective

I am seeking an entry-level position in a dynamic organization where I can apply my programming skills and gain hands-on experience in developing web applications. With my proficiency in programming languages such as JavaScript, HTML, and CSS, I am confident in my ability to develop responsive and user-friendly web applications that meet the needs of the end-users. I am a self-motivated individual who enjoys working on both front-end and back-end development, and I am committed to continuously learning new technologies and methodologies to enhance my skills.

Experience

AMBASSADOR 2021 TO 2023
